Chapter 13 Case No: 817-76682-LAS

Dear Financial Clerk:

My Chapter 13 Trustee check numbers 851726 in the sum of \$4,800.00 payable to the Clerk of the Court, will be sent under separate cover.

With reference to the above-captioned bankruptcy case, the check represents an unclaimed dividend or an unclaimed refund due to:

Debtor Refund

All returned and cancelled checks must be retained by this office for future reference by either creditor inquiries, debtor inquiries or by my auditors. Additionally, it is impossible to provide an original bank statement indicating a stop payment or cancelled check on every returned check by creditors under my Chapter 13 Trustee distribution.

Thank you for your courtesy.

Very truly yours,

Marianne DeRosa, Trustee
